## Future Considerations

As we move into 2021 (thank goodness) we will want to consider the following topics as we look to our future:

- Enrollment in SW Denver and the impact on Compass Academy's model and budget in both the short and long term
- Short and long term fundraising plan (in progress with the task force)
- Space at Lincoln as they begin to implement their state improvement plan
- The Charter narrative and how we navigate renewals, facilities, and other processes/systems within the District
- The toll the pandemic has played on staff sustainability

## Internal Review: New Dashboard!

Teaching and Learning in the time of COVID 19
Compass Academy's approach to serving our community includes a continued commitment to social and emotional programming, the integration of a bilingual/biliterate focus, and rigorous standards-based curriculum. None of these elements of design, nor our Major Improvement Strategies, can be compromised as we shift between in person and remote learning as it would magnify the educationa inequities our students historically face.

- A clear approach to cognitive engagement (intrinsic, extraneous,

- Compass competencies lead school wide culture as a trauma informed

## ED/MS Director's Update: SPC Process and Timeline

- December 14: Written materials from schools and operators due.
- January 11-15: There will be small, personal meetings between the regional Board member and the SPC schools eligible in their region in order for the Board to understand their context and experience. The focus of these are for the Board and school leaders to share their experience in COVID, highlight strengths and authentically share continued areas of growth or needed support. These are not public meetings. PMT will coordinate the exact timing of these meetings with school leaders in December.
- January 19: Schools' operators will present to the Board in a formal Board meeting focused on how they are supporting and progress monitoring their SPC school(s). In the case of District schools, the Schools Team and RIS/RAISs will present as operator, while charter boards and network staff will present on behalf of charter schools.

Attending: Jessica Roberts, Christine Morin, Mary Seawell, Jerry Torrez, Jim Balfanz, Bob Balfanz, Marcia Fulton

Also attending: Nate Kerr, Jody Cornish, Denise Thorne, Alexis Urquhart
Date: 10/27/2020
Approving September minutes and approving Oct $15^{\text {th }}$ special board meeting minutes (but no quorum and perhaps not official):

- Motion: Mary Seawell
- $\quad 2^{\text {nd }}: J i m$ Balfanz
- Passed unanimously

First topic- Family Assistance fund: (Marcia)
Families can apply and be awarded up to $\$ 1,500$ over the course of the year in times of crisis. Asking Board to approve policy and ensure all questions answered. Vetting to ensure language in the policy if audited would not question our mission and work with our own 501c3.

Vote to approve it as a policy

- Motion to approve: Christine
- $\quad 2^{\text {nd }}:$ Jim Balfanz
- All in favor: passed unanimously

## Second topic- Financials: (Marcia)

Jessica, Chris and Marcia reviewed 5-year financial projections process aligned to our model. We're trying to craft a budget and will bring to board a more outlined budget in November and will understand where the gaps are after election and Governor's budget is out. December board meeting will dig into the budget, approval for working budget in January (and then a 5-year planning financial document).

Jessica gave financial update
Marcia will email a copy of the school audit (it was reviewed in the executive committee). DPS is a bit delayed due to their own audit, and when they are complete, we can finalize our own audit.

Third Topic: Investment Case: Jody, Marcia, Nate

- Jody's background: In development at CY. Excited to support CY/SDID/Compass partnership.
- Based on strong performance of Compass, CY can lean in to fundraising opportunities for Compass.
- Today's purpose: Lay out timeline and process, bring in the board on the alignment approach and targets for fundraising, and start brainstorming. (See Deck)
- Next steps:
- Get clearer on the budget gaps
- Task Force: Christine, Jim, Mary, Ana

Fourth topic: Internal Review (Alexis, Marcia, Denise) - see deck

- Incorporating SEL Practices through the day and in Compass' Model.
- Academic Growth: STAR Reading growth flat from August to October but due in large part to the low STAR completion in August. Over 66\% of students took STAR in October which should serve as a good starting baseline and allow us to better measure growth after the next STAR administration in December.
- Data Cycles and Culture:
- ANet testing completed October $27^{\text {th }}$ with $89 \%$ attendance.
- PERTS Copilot Elevate going with with Math team. Diving into the data and planning change ideas this coming week. Action Community work continues, and convening was successful (also Oct $27^{\text {th }}$ )
- Upcoming Dashboard: Expect to see an iterative version of the data presentation via dashboard next month.

Fifth Topic: Director's updates:

- Enrollment (Marcia):
- 3 students shy of anticipated PPR
- $\quad 2^{\text {nd }}$ Quarter plan (Denise)
- Wrestling with questions like: what data matters, are we building agency in our students to ask/get support? How do we stay persistent with family engagement? How do we continue to push and measure learning for our students? What shifts do we need to make?
- Jim: What's keeping you up at night? What are you most excitded by?
- Who's not coming to class and not engaged? A lot of gun violence and safety efforts in SW Denver, so worried about where students are when they aren't with us.
- Excited about results and feedback from PD on the $27^{\text {th }}$. Also joining $6^{\text {th }}$ grade class with 100 students on zoom and seeing so much engagement with students (even though they've never entered the building). Amazing.
- Parent/Teacher/Student Conferences
- How are we recording/capturing this learning?
- Wrestling with how to lead during this time, what teachers truly need (because it's different than a typical year), and how do we apply and make changes based on what we're learning?
- DEI plan (Marcia): L'Ancla
- Deeper look into lives and experiences of the people we serve
- How do you get design and learning groups together with families, students and staff on a collective level?

Net Steps - Next board meeting

- No board meeting in November
- Proposal to move December's board meeting a week earlier.
